EDUCATION

Bachelor of Engineering (B.E)
RVS College Of Enginering And Technology
2021 - 2025

WORK EXPERIENCE

Flutter Development
Merzol Technologies, Virtual
Internship • Jul 2023 - Aug 2023 (1 month)

I learn to WhatsApp and Zoom app widgets, enhancing mobile apps using Flutter. Completed daily tasks, continuously improving skills. Developed a weather app, demonstrating practical ability. Gained teamwork and discipline experience.

TRAININGS

Python
udemy, Online
Jan 2023 - Feb 2023

Learned Python basics and advanced skills, aiding in Django learning. Studied Django and Django Rest Framework to create APIs and integrate frontend frameworks. This course was very helpful for my learning path.

SKILLS

HTML
